The Chief Nodal Supervisors are put in charge of the same subject, which he or she has taught or has been teaching as PGT or Principal. This ensures supervision and timely completion of evaluation work.
- (b) **Observation Schedules**: To give fair deal to the question papers and redress genuine grievances of the students, observation schedules were sent to all the school principals to record and forward their suggestions within 24 hours of the conduct of examination of concerned subject so that these could be considered by the expert group while preparing the marking schemes.
- (c) **Mandatory evaluation**: Teachers selected for evaluation work were instructed to report on the appointed date and time. Non-release of teachers by any school could lead to withholding the result of the defaulting institution. The Board could also consider and initiate disaffiliation proceedings. However, those extending willing and effective cooperation will also find a mention in their personal records.
