Subject : Organisation of training programmes for teachers of Informatics Practices

Sir/Madam,

CBSE has revised its curriculum for Informatics Practices for Senior Secondary level and Foundation of Information Technology for Secondary level for 2011 Board examination. The curriculum transaction for the above mentioned two subjects has already started for classes XI & IX respectively from the academic session 2009-10.

In order to acquaint and familiarise the teachers with the changes in the curriculum, CBSE has already conducted the Master Trainer's Training Programme at Modern School, Barakhamba Road, New Delhi from 21st to 23rd Aug., 2009 who will in turn further train the remaining teachers of Informatics Practices and Foundation of Information Technology in different regions of CBSE.

The programmes will be mostly held in the month of Oct., 2009. You are requested to issue suitable instructions to appropriate officers of your organisation to contact the respective Regional Officer for finalisation of list of participants from schools.

Yours faithfully,

(CHITRALEKHA GURUMURTHY)
DIRECTOR(ACADEMIC)
