Sub: Development of Website by each school.

Sir,

I am to refer to the CBSE circular No.3/10 dated 18.10.2010 requesting the schools to develop their own website containing comprehensive information about the school and its management. The information to be provided on the website of the school includes affiliation status, details of infrastructure, names and designation of teachers, class-wise section-wise enrolment of students, address-postal and email, telephone Nos., details of members of the School Managing Committee etc. For this purpose, every school should prepare its Annual Report containing above information and upload the same on its website before 15th September of every year.

All the Managers and Principals of schools affiliated to the Board were expected to implement the above within a period of six months from the date of issue of the circular cited.

However, it is observed that some of the schools have not yet developed their own website and have not uploaded the required information on their website.
