19. Chapter IX Rule 53.4

EXISTING

4. Vocational subjects Teachers

A person possessing Post Graduate Degree in the concerned area e.g. M.Com. for Commerce based vocational courses, M.Sc. (Agriculture) for Agriculture based vocational courses, M.Sc. (Home Science) for Home Science based vocational courses, five years Arts Diploma in the area concerned for Fine Art based Vocational Courses. M. Music/Dancing for Music/ Dancing will be qualified to teach the concerned subject. For those vocational subjects where Master's Degree holders are not available, a person having 4/5 years education in the concerned area after doing Hr. Sec / Intermediate as the case may be, may be allowed to teach classes XI and XII as recommended in the N.C.E.R.T's paper on 'Higher Secondary and its vocationalisation'

For technological subjects, a person having 3 years diploma course of a Polytechnic with 2 years experience, or a Bachelor of Engineering may be treated as qualified to teach the subject.

Masters Craftsmen may also be engaged by the schools as part time instructors for practical training.

The Services of the existing staff be utilised fully. It would be advisable to entrust the teaching of the General Foundation Course under core course to the existing post graduate teachers as follows:

Science and Society
Contemporary India
