**Subject: Appreciation for Exemplary Support in CBSE Board Examinations and Evaluation**

Dear Principal,

On behalf of the Central Board of Secondary Education (CBSE), I wish to express my sincere gratitude and profound appreciation for your school's exceptional contribution for the successful conduct of Board examinations-2025 and evaluation of the answer books and declaration of results thereafter.

This year, approximately 42 lakh students were registered for the examinations which were conducted over a period of 49 days. The subsequent evaluation of nearly 2.7 crore answer books in record time would not have been possible without the unwavering dedication and tireless efforts of your teachers. Their commitment extends beyond the classroom, as evidenced by their involvement in the examination process and the meticulous assessment of answer books. It was only their professionalism and commitment which ensured that marks were awarded to students based solely on their actual performance, adhering strictly to policy and with great care.

Further to it, you are aware that this year, CBSE has changed the post result process for the students who are not satisfied with their result. This year, Board is providing photocopy first and thereafter students can apply for verification and/or re-evaluation. Students be informed about the hard work done by you and your teachers in quality evaluation of the answer books. They should only apply for photocopy if they are very confident that their result could improve otherwise not as this may lead no change in the result.

Thank you once again for your outstanding contribution to the academic journey of the students.

*With Best Wishes,*
