Central Board of Secondary Education has announced the date-sheet of Class-X & XII for the Term-1 examinations. It has come to the notice of the Board that some students are still not in the city of their school where they had taken admission and are residing somewhere else.

In view of the above, at an appropriate time, CBSE will inform the students to make a request to their respective schools to change the city of examination centre. Schools will follow the instructions given by CBSE to forward the request to CBSE in an online system.

Accordingly, all students and schools are requested to remain in touch with the CBSE’s website. As soon as the students are informed in this regard, they can make the request to their school within the schedule which will be of short duration.

No requests after the schedule will be accepted by the Board for change of examination centre city.
