Subject: Online Capacity Building Program for Counselors and Teachers

Dear Principal,

The Central Board of Secondary Education (CBSE) is organising a series of Online Capacity Building Program for counselors and teachers. This program aligns with the objectives of the National Education Policy (NEP) 2020, emphasizing the importance of comprehensive counseling in the educational system.

The program aims to enhance the knowledge and skills of counselors and teachers in both career counseling and psychosocial counseling. By participating, educators will be empowered to help students explore career options, set achievable goals, and plan for future success.

Recognizing the critical role of counseling in students' overall development, our expert resource persons will provide guidance and educational advice on relevant topics, ensuring participants gain valuable insights and practical knowledge.

We encourage all counselors and teachers to participate and take advantage of this excellent opportunity to further develop their professional capabilities in accordance with NEP 2020 guidelines.
