Subject: Clarification regarding time duration of practical examinations.

Madam/Sir,

This is in continuation of guidelines dated 24/02/2022 for the conduct of practical examinations.

It has come to the notice of the Board that in Term-II practical examinations, in the subjects Physics, Chemistry, Biology etc., two practicals are to be performed in 1 ½ hours duration.

It is clarified that the time period for the conduct of two practicals in Term-II examinations is **03 hours**.

Also, all schools are directed to relieve their teachers as per the date fixed by other schools for the conduct of practical examinations. Non-relieving of teachers would be viewed seriously.

This is for information and necessary action.

Yours faithfully

(DR. SANYAM BHARDWAJ)
