To

Centres of CBSE Main Examinations – 2026

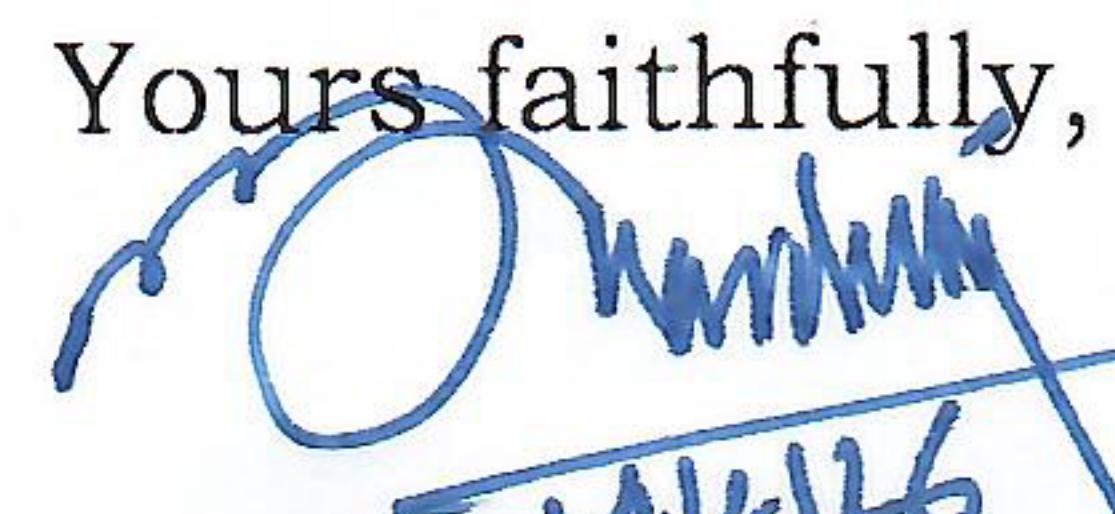

Madam/Sir,

As you are aware that the Main Board Examinations will be starting from 17.02.2026, the Board has issued the admit cards after completion of List of Candidates (LOC). The Mathematics examination will be conducted on 17.02.2026 across the country and abroad. During the conduct of examination, it may be ensured that the Question Papers of the subject which are mentioned in the Admit Card be only supplied to the student. There should not be any change of subject like in place Mathematics Standard, Question Paper of Mathematics Basic is provided or vice-versa. This will also apply to the subjects like English, Hindi, Sanskrit, Urdu etc. wherein the same subject is provided with the two separate subject codes having different syllabus.

This advisory is issued for the full examination to take appropriate precautions while distributing the question papers to the students. In case, it is observed that student has appeared in a subject which has not been offered to the student and not mentioned in the Admit Card, he will be marked as “**Absent**” in the subject in which the student is supposed to appear as mentioned in the Admit Card. His examination of the subject in which he has appeared against Board’s directions will also be cancelled and his result will be prepared/declared accordingly.

The CBSE will also take the action against such schools who will not be adhering to the instructions issued by the Board.

Yours faithfully,

(Dr. Sanyam Bhardwaj)
