Subject: Launching of Integrated Payment System (IPS) for payment of remuneration etc. pertaining to Practical Examinations of session 2024-25

Madam/Sir

The CBSE Board has launched the Integrated Payment System (IPS) for processing payments related to remuneration and other expenses for the Class XII Practical Examinations of the 2024-25.

All Schools are requested to check the IPS portal and complete the required data entry as soon as possible. It may be ensured that the bank account details of exam functionaries are entered accurately. Principals must personally review the data before finalizing it on the IPS portal and ensure that no data of any examiner/observer is left unfilled.

Any mistake in providing bank account details of exam functionaries may result in payment being made to the wrong person. In such a scenario, the responsibility shall lie with the concerned Principals of the school, and recovery of the amount paid in error shall be made from them.
