SUB: National Achievement Survey (NAS-2021) - Appointment of Observers

The Ministry of Education, Government of India has entrusted the responsibility of conducting the National Achievement Survey (NAS-2021) in 733 Districts to the Central Board of Secondary Education (CBSE). NAS is a national-level large scale assessment which provides a comprehensive and authentic database for bringing in qualitative improvement in school education system. NAS-2021 is scheduled on 12th November 2021 in the sample schools on a single day to know the learning achievement level of students of grade 3, 5, 8 and 10.

For conduct of NAS across the country, the CBSE HQ has appointed District Level Co-ordinators (DLCs). These DLCs have been authorized to appoint Observers who are to be appointed from the CBSE affiliated schools located in that district from amongst the staff of Principals, PGTs, TGTs, PRTs. NAS requires a large number of observers in each district. CBSE Schools and their respective managements are expected to cooperate with the DLC in the appointment of Observers. It is the responsibility of CBSE schools to support DLC. A remuneration of @Rs.3900/- (fixed) is payable to each Observer appointed for NAS. It is, therefore, required that correct and complete details of the Observers should be provided to the DLC. Participation in NAS will also prove academically useful. Training will be given to the observers. DLCs are required to nominate the Observers from their own schools first and then appoint Observers from other CBSE schools located in the district (as per numbers given in the DLC Login) on the NAS Portal by Sept. 22, 2021.

The NAS-2021 is being conducted under the direction of the Ministry of Education, Government of India. More information about NAS-2021 is available on the NAS website https://nas.education.gov.in Schools are expected to go through the FAQs available on the website and ensure active cooperation in the conduct of NAS-2021.
