Subject: Opening of OECMS portal for rectifying any mistakes in data already provided on the portal for main examination 2026.

Madam/Sir

The Integrated Payment System (IPS) for releasing of final payment to Examination Center's will be launched immediately after the completion of the Board Examinations 2026. The data related to the number of functionaries deputed, number of candidates appeared/absent, number of rooms used, etc. for the same is automatically taken from the OECMS for Centre Final 2026. In the past, several schools have approached CBSE regarding wrong data with reference to students or functionaries filled by them or data for a day unfilled due to which wrong claim was made on IPS.

Hence, to enable the Examination Centers to check data on the OECMS portal, to rectify any error made, any such request may be made to the concerned Regional Office by 11th April, 2026.

All the center superintendents/heads of schools are requested to check the data on the OECMS portal and rectify the mistakes as well as enter the missing data in consultation with the regional office. This exercise shall be completed by 13th April, 2026 positively. Thereafter, no requests of the center in this regard will be entertained.
