PRESS RELEASE

**CBSE Issues Show-Cause Notices to 27 Schools in Rajasthan and Delhi for Violating Bye-Laws**

The Central Board of Secondary Education (CBSE) has initiated strong action after its surprise inspections conducted at 27 schools affiliated with the Board in Rajasthan and the NCT of Delhi. During these inspections, several violations of the Board's Bye-Laws were identified, particularly concerning the enrollment and attendance practices of these institutions.

The inspections revealed that schools had enrolled a higher number of students in class XI and XII, who are not physically attending the classes. Moreover, discrepancies were noted in the attendance records maintained by these schools, casting doubt on their compliance with CBSE regulations. It was also found that some institutions were flouting infrastructural norms set forth by the Board, compromising the quality of education and safety for students.

In response to these findings, CBSE has issued show cause notices to 27 schools—22 from the two regions of Delhi and 5 from the Ajmer region (*List enclosed*). These notices require the schools to provide clarifications regarding their enrollment practices, adherence to infrastructural standards and other norms of the Board.

CBSE remains committed to ensuring the highest standards of education and will continue to rigorously monitor compliance across all its institutions.
