## PRESS RELEASE

### SURPRISE INSPECTIONS OF SCHOOLS CONDUCTED BY CBSE ACROSS RAJASTHAN AND DELHI

**Delhi, 06.11.2024** –The CBSE has conducted a series of surprise inspections across Rajasthan and Delhi on 03.09.2024. The inspections were conducted in **27 schools**, affiliated with the Board.

The prime objective of the inspections was to ascertain that the schools were operating in compliance with the norms of regular attendance of students in schools as per Affiliation and Examination Bye-Laws of the Board.

The CBSE emphasized that dummy or non-attending schools undermine educational integrity and issued Show Cause Notices, allowing schools 30 days to respond. The vital observations of the Surprise Inspection Committees in regard of the irregularities observed during the inspections were communicated as a report to the respective schools. The replies submitted by the schools were examined in detail by the Board. Based on the inspection findings and supported by video - graphic evidence:

- **21 schools had their affiliation withdrawn** due to significant numbers of non-attending students from classes IX-XII.
- **6 schools were downgraded** from Senior Secondary to Secondary level.

As the leading national education board with an international presence, we have long been committed to advancing educational reforms, delivering quality education, and fostering the holistic development of students. However, the practice of dummy/ non-attending admissions contradicts the core mission of school education, compromising students' foundational growth. To address this issue, we are taking decisive action to combat the proliferation of dummy schools and send a clear message to all affiliated institutions to resist the lure of accepting dummy or non-attending admissions. The Board will continuously strive to ensure that schools adhere to lawful and ethical educational practices.
