PRESS RELEASE

CBSE Commences Release of Class XII Verification of Issues observed and Re-evaluation Outcomes;

CBSE assures that every application has been processed through a robust and carefully monitored system to ensure fairness and accuracy;

CBSE appeals students not to believe on rumours and unsubstantiated social media posts

CBSE Regional Offices available for any assistance/guidance to students

The outcomes of applications submitted by Class XII candidates under the Post-Result Services for Verification of Issues observed and Re-evaluation are being released on Digi Locker from today, i.e. 21st June 2026 onwards.

Candidates whose marks have been revised as a result of the verification of Issues observed or re-evaluation process may access their updated Class XII marksheets through Digi Locker at <https://results.digilocker.gov.in/> .

The outcomes will be released in a phased manner as and when the processing of individual applications is completed. Today, the results of around 87% of candidates who have applied for Re-evaluation and/or Verification of Issues observed have been declared. The outcomes for the remaining candidates will also be released in phases and the entire process is expected to be completed soon.

The Central Board of Secondary Education (CBSE) had declared the results of the Class XII Examinations 2026 on 13 May 2026 for approximately 17.69 lakh candidates.

As part of its post-result services, CBSE had provided candidates with the facility to obtain scanned copies of their evaluated answer books from 19th May to 25th May 2026. Subsequently, candidates were given the opportunity to apply for Verification of Issues observed and/or Re-evaluation from 2nd June to 7th June 2026.

The post-result Services platform functioned under the supervision of technical experts from the Digital India Corporation, IIT Kanpur and IIT Madras who supported the CBSE team to safeguard the system against unauthorised and malicious access and to ensure the integrity of the entire process.

As has been done last year, in all such cases of Verification of Issues observed, where the claim of the candidate has been established, the same is being corrected and evaluated by CBSE and their marks updated. The candidates can see status of their requests on the Digilocker.

Candidates who applied for the verification of Issues observed and for whom CBSE has reported the outcome as "No-change", would be offered an opportunity, if they wish to inspect their answer books at the concerned CBSE Regional Office. The schedule for the same would be released soon.

CBSE appeals to students and parents not to rely on unverified social media posts, rumours, or unofficial sources regarding the post-result process. Authentic and updated information shall be made available through CBSE's official communication channels.

For any queries, candidates may write to resultcbse2026@cbse.gov.in or contact their respective CBSE Regional Offices or CBSE Tele-Helplines.
