Subject: Principals' OSM dashboard for facilitating & monitoring log-in and mock evaluation of OSM by all teachers of the school-reg

Madam/Sir,

As you are aware that for OSM, CBSE has communicated that all teachers of the school should log-in into the OSM portal and do mock evaluation. CBSE is sending mails containing log-in credentials to all the teachers on their registered e-mail ID and OTP to the mobile no. as updated in OASIS. A very large number of teachers have got the mails. But there are teachers who are not able to get the e-mail as their email ID in OASIS is not correct. To correct the details, it was desired from the teachers that they may be facilitated to correct their data on OASIS with the help of the Principal / HoS.

To facilitate teachers in correction of data and to monitor by the Principal that all teachers of the schools have logged in and completed Mock Evaluation, a dashboard has been developed for the Principals / HoS. The link of the Dashboard is https://cbseosm.onmark.co.in/CBSE_Dashboard/. The flow of activities for the use of OSM dashboard is as below-

- Principals / HoS can log-in into the OSM dashboard with their log-in credentials sent in their e-mail ID.
- They will be able to view the total number of evaluators in the school; the evaluators who have completed the practice session; the evaluators who have logged into the system but not completed the session; the number of answer books evaluated and the evaluators yet to log in.
- This facility will enable you to identify gaps, extend necessary guidance, and ensure the timely completion of the practice session.
- The dashboard also provides an option for you to update the OASIS details of teachers, such as mobile number and email ID, by clicking on the OASIS link available therein.
- Six hours after updating the details, the login credentials (i.e., login ID and password) of the teachers will be sent to their updated email address and the OTP will be sent to the updated mobile number.

- Maintaining accurate and updated contact details is essential for seamless communication and uninterrupted access to the OSM platform.

In view of the above, you are requested to regularly access the dashboard, closely monitor the ongoing OSM Practice Session activities, and ensure that all teachers teaching Classes XI and XII compulsorily complete the practice session at the earliest so that they are fully prepared for the forthcoming main evaluation under the OSM system.

Yours faithfully,

(Dr. Sanyam Bhardwaj)
