Subject: Enrolment of Experienced Teachers as Mentors under the Mentoring Initiative for Teaching, Research and Assessment (MITRA).

The National Council for Teacher Education (NCTE), under the Ministry of Education, Government of India, has initiated the **Mentoring Initiative for Teaching, Research and Assessment (MITRA)**, envisaged under Para 15.11 of the National Education Policy (NEP) 2020. Following are the salient aspects of MITRA:

a. The initiative aims to build a strong and diverse national pool of outstanding and experienced professionals committed to mentoring school- teachers across the country for their professional growth and capacity building.

b. The Mission seeks to provide personalised mentoring support to in-service teachers, enabling them to become reflective practitioners and lifelong learners. It envisages meaningful engagement between mentors (experienced professionals) and mentees (teachers seeking to benefit from their experience).

c. It encompasses several mentoring domains and sub-domains, covering a wide range of educational, pedagogical, professional and personal development as per Annexure.

The eligibility for enrollment as a mentor include a minimum of 8 years of professional experience, demonstrated expertise in one or more identified mentoring domains, effective communication, digital skills, and willingness to contribute to the objective of the Mission.The mentor enrolment link is https://nmm.ncte.gov.in and the step-by-step onboarding video is available at https://drive.google.com/file/d/1teL5OZtjrQkSvXJgbH6Eb32LhrYle3QI/view?usp=drive

The NCTE will organise an online orientation every Tuesday from 3:30 PM to 4:30 PM to familiarise prospective mentors with the portal, explain the process of registration, onboarding, conducting sessions and to address their queries.

In view of the above, all Principals/Heads of CBSE-affiliated schools are requested to disseminate this information and facilitate the enrolment of at least 3–5 eligible and experienced teachers as mentors per school on the NMM Portal with a view to strengthening the national pool of mentors.
