Subject: Important Frequently Asked Questions

Sir/Madam,

Further clarification on FAQ's issued by CBSE on 27.11.2021 is as follows:-

S.No.	FAQ	Answer																																																																
1	There are 60 questions in a question papers from Q.No. 1 to Q.No. 60. Out of 60 questions, only 50 are to be attempted by the candidates. How evaluation should be done by the evaluators and how correct number of questions will be determined?	<ul style="list-style-type: none"> In this case, evaluator has to count correct number of responses from Q.No. 01 to Q.No.60. For evaluation, first 50 attempted questions are to be taken for determining correct options. The same number is to be uploaded on link. However, responses given after 50th attempted question will not be taken into consideration for evaluation. 																																																																
15	There are two section in a question paper i.e. "Section-A" and Section-"B". Both sections are having 30 Questions each. From each section, 20 questions are to be attempted. In section-A, one student has attempted only 24 questions and in Section-B, student has attempted 30 questions. What is the correct method of evaluation?	<ul style="list-style-type: none"> Say in Section-A, student has attempted Q.No as per given details:- <table border="1"> <thead> <tr> <th>Q.No</th> <th>Remarks</th> <th>Q.No</th> <th>Remarks</th> </tr> </thead> <tbody> <tr><td>1</td><td>Attempted(1)</td><td>16</td><td>Attempted(16)</td></tr> <tr><td>2</td><td>Attempted(2)</td><td>17</td><td>Attempted(17)</td></tr> <tr><td>3</td><td>Attempted(3)</td><td>18</td><td>Attempted(18)</td></tr> <tr><td>4</td><td>Attempted(4)</td><td>19</td><td>Attempted(19)</td></tr> <tr><td>5</td><td>Attempted(5)</td><td>20</td><td>Attempted(20)</td></tr> <tr><td>6</td><td>Attempted(6)</td><td>21</td><td>Attempted(21)</td></tr> <tr><td>7</td><td>Attempted(7)</td><td>22</td><td>Attempted(22)</td></tr> <tr><td>8</td><td>Attempted(8)</td><td>23</td><td>Attempted(23)</td></tr> <tr><td>9</td><td>Attempted(9)</td><td>24</td><td>Attempted(24)</td></tr> <tr><td>10</td><td>Attempted(10)</td><td>25</td><td>Attempted(25)</td></tr> <tr><td>11</td><td>Attempted(11)</td><td>26</td><td>Attempted(26)</td></tr> <tr><td>12</td><td>Attempted(12)</td><td>27</td><td>Attempted(27)</td></tr> <tr><td>13</td><td>Attempted(13)</td><td>28</td><td>Attempted(28)</td></tr> <tr><td>14</td><td>Attempted(14)</td><td>29</td><td>Attempted(29)</td></tr> <tr><td>15</td><td>Attempted(15)</td><td>30</td><td>Attempted(30)</td></tr> </tbody> </table> <ul style="list-style-type: none"> Candidate has attempted 24 questions instead of 20 questions. "शिक्षा केन्द्र", 2, सामुदायिक केन्द्र, प्रीत विहार, दिल्ली-110092
"SHIKSHA KENDRA" 2, COMMUNITY CENTRE, PREET VIHAR, DELHI-110092

- **Green** means correct responses.
- **Red** means wrong responses.
- **Blue** means, responses after total questions allowed to attempt.
- Unfilled(White)means not attempted.
- Say Q.No. 25 to 28, all are correct responses.

Action by Evaluator:-

- First identify total questions attempted as per instructions given in Question Paper. In this case, till Q.No. 24, candidate has attempted desired 20 questions.
- Q.No. 3,8,12,24 are wrong responses.
- Q.No. 2,10,11,19 is not attempted.
- Q.No. 1,4,5,6,7,9,13,14,15,16,17,18,20,21,22, 23 are correct responses.
- Question No. 25, 26,27,28, will not be considered for evaluation even if all are correct responses.

Say in Section-B, student has attempted Q.No as per given details:-

Q.No	Remarks	Q.No	Remarks
31	Attempted(1)	46	Attempted(13)
32	Attempted(2)	47	Attempted(14)
33	Attempted(3)	48	Attempted(15)
34	Attempted(4)	49	
35	Attempted(5)	50	Attempted(16)
36		51	Attempted(17)
37	Attempted(6)	52	Attempted(18)
38	Attempted(7)	53	Attempted(19)
39	Attempted(8)	54	
40		55	
41		56	Attempted(20)
42	Attempted(9)	57	Attempted(21)
43	Attempted(10)	58	Attempted(22)
44	Attempted(11)	59	Attempted(23)
45	Attempted(12)	60	Attempted(24)

- In case of above, evaluator will determined first 20 attempted questions. As candidate has attempted all 30 questions, hence, evaluator will do the assessment of question numbers upto Q.No.56 only. Rest of the responses will not be taken into considerations.
- **Green** means correct responses.
