CENTRAL BOARD OF SECONDARY EDUCATION

CBSE/AC&BW/Online Fees/2018-19

03.12.2018

Circular

During the process of online fees, the updation of fees paid by the school is being updated on the CBSE server by AC & BW HQs. The above process is being done only for those schools who have deposited the fees in the Board's account within time or after due date with fine. This assignment has been taken up by the section due to technical issues being faced by the Board's bank's server in updation of fees on CBSE server.

However, it has been observed that during this process, the schools who have paid fees without fine after last date or who have paid late fine but are claiming for refund of late fine due to any reason are approaching HQs through Regional Offices.

In this regard, it is informed to all that the waiver/refund of late fine is not being dealt by HQs, accounts section. Such cases may be dealt at RO level only.
