Sir/Madam,

As you are aware that evaluation work of answer sheets of class X & XII examinations 2010 is in full swing. In order to ensure timely declaration of results all the Heads of Institutions affiliated with the CBSE under Delhi Region are requested to relieve their teachers in the subjects concerned for evaluation work. It is also informed that complaints are being received from the Chief Nodal Supervisors and Head Examiners that some schools are not relieving their teachers due to which evaluation work in the subjects concerned is delaying. In this connection it is clarified that the result in respect of those Institutions who are not relieving their teachers for evaluation will not be declared in normal course for which they will be fully responsible.

Yours faithfully,
